OUR STORY: HOW IT ALL STARTED

One year ago, we made **\$40,000 from \$0** trading the markets—then lost it all in three days. No risk management, no strategy, just raw emotion. That loss should have ended everything. Instead, it sparked an idea, and with that idea, we took a leap of faith.

We came back with discipline, strategy, and an unshakable vision. A small Facebook group turned into a movement. We needed professional tools for faster, more reliable stock market news without paying hefty monthly fees- so we built our own. Advanced traders joined us, our custom market-scanning bot was developed, and the result? A **75% success rate** and a growing community.

What started as a modest group has grown into something far bigger than we ever imagined—**over 8,000 members** across the globe, all connected by the same drive, the same passion, and the same belief that we are stronger together.

A year ago, we were just traders looking for an edge. Today, we are a force in the market, a thriving community built on knowledge, strategy, and unwavering support—and this is **just the BEGINNING!**

From launch at \$0 to hitting all-time highs - Here's a visualisation of how Atlantic Trading has grown over the last year.

2024 HIGHLIGHTS: ATLANTIC'S IMPACT

Giving Back to the Community

In Rajahmundry, South India, we partnered with Sree Sitarama General Stores to distribute food parcels and bottled water to those in need. This initiative was our way of giving back and supporting the less fortunate, reinforcing our belief that success in trading should come with a responsibility to help others.

12 Days of Christmas – A Season of Giving

In the spirit of Christmas, we hosted 12 days of exciting giveaways, rewarding our community with premium memberships, Atlantic merch, trading tools, and cash prizes worth over £1,000. From daily surprise winners to our special 'Spin the Wheel' sessions, the festive event was a massive hit, spreading cheer while giving back to our loyal traders!

Halal Food Festival – Glasgow

We took Atlantic Trading to the lively Halal Food Festival in Glasgow, setting up a stall to boost brand visibility and connect with a wider audience. While enjoying incredible food, we engaged with traders and enthusiasts alike. The event was a huge success, bringing in over 100 new members, and it marked another milestone in our journey of growth and community building.

WHAT OUR MEMBERS ARE SAYING

The past year was just the beginning. We're gearing up for even bigger innovations, sharper trading strategies, and a stronger community in the year ahead. Thank you for being part of Atlantic Trading – we can't wait to see what the future holds!
